WLL Timeline v3 DRAFT.PDF

Good morning Curtis,

Attached is an outline of the edits to the current draft infographic. This is for Mark and Mike. I've also attached the infographic.

Please take a look and let me know if this works.

What is the next step? A formal meeting with Mark to discuss or would you prefer to simply email to him for feedback? I think in-person is a better option so we can discuss it and answer his questions...just not sure your thinking on it. If we are going to meet in person, I will label the boxes (as noted in the document) prior to the meeting and have ready to hand out. If you want to just email it to him, let me know and I'll label the boxes, scan and send your way.
